Such petition must contain a description of the particular geographic level to which the State desires interim hold-harmless support to be distributed, and an explanation of how waiver of paragraph (b) of this section will further the preservation and advancement of universal service within the State.

(1) Interim hold-harmless support for a wire center transferred to a carrier that does not meet the definition of rural telephone company in § 51.5 of this chapter shall be phased down following the transfer over the same time
